

AMENDMENTS TO THE SPECIFICATION

Please delete the paragraph beginning at page, 18, line 22 of the original specification.

Please delete the paragraph beginning at page, 18, line 23 of the original specification.

Please delete the paragraph beginning at page, 18, line 25 of the original specification.

Please replace the paragraph beginning at page, 19, line 12 of the original specification with the following paragraph:

~~A control device was also prepared in a similar manner without a blocking layer.~~
Although the invention has been described with respect to embodiments, it is not intended to be limited thereto but rather those skilled in the art will recognize that variations and modifications including equivalent, substantial equivalents, similar equivalents, and the like may be made therein which are within the spirit of the invention and the scope of the claims.
